
Balanced Feminine Path

Digital wellness support for midlife women

Calm My Hormones Guided Audio Library

A calming meditation collection for anxiety, overwhelm, sleep, and self-compassion

This library gives you a track for the state you are actually in.

Use it instead of searching for a random meditation when you already feel overloaded.

This workbook supports education and personal reflection. It is not medical advice. Talk with your doctor or another qualified healthcare professional about symptoms, treatment, supplements, or medication.

Track collection

- Calm My Hormones core meditation
- Anxiety support track
- Overwhelm reset track
- Sleep softening track
- Self-compassion track

Listening guide

- Choose one track for the same time each day for one week
- Pair the track with a simple reflection prompt
- Notice which state softens fastest with regular use

Reflection prompts

- What felt softer after listening?
- What did I need more of today?
- Which track belongs in my regular routine?

This workbook supports education and personal reflection. It is not medical advice. Talk with your doctor or another qualified healthcare professional about symptoms, treatment, supplements, or medication.
