
Balanced Feminine Path

Digital wellness support for midlife women

Digital Planner for GLP-1 Use

Daily tracking for appetite, hydration, digestion, energy, and follow-up care

This planner gives you one place to track what is changing in your body while using GLP-1 support.

It helps you walk into follow-up care with clear notes instead of guesswork.

This workbook supports education and personal reflection. It is not medical advice. Talk with your doctor or another qualified healthcare professional about symptoms, treatment, supplements, or medication.

Daily pages track

- Meals and protein
- Hydration
- Side effects or digestion changes
- Energy and movement
- Medication and supplement timing

Weekly review

- Which foods sat best?
- What side effects changed?
- What questions should I ask at follow-up?

Provider support

- Bring a one-page symptom and routine summary
- Track patterns worth discussing with your clinician

This workbook supports education and personal reflection. It is not medical advice. Talk with your doctor or another qualified healthcare professional about symptoms, treatment, supplements, or medication.
