Digital wellness support for midlife women

Rested and Radiant Sleep Kit

Bedtime meditation, tea ritual support, journaling prompts, and hormone-friendly sleep rituals

This kit helps you close the day with less stimulation and more support.

Use it when evenings feel too noisy, too late, or too wired for sleep.

This workbook supports education and personal reflection. It is not medical advice. Talk with your doctor or another qualified healthcare professional about symptoms, treatment, supplements, or medication.

Inside the kit

- Three guided bedtime meditation scripts
- Tea blend notes using moringa and magnesium support ideas
- Thirty evening journaling prompts
- A mini ebook on sleep rituals for hormone harmony

Sleep ritual builder

- Choose your light, drink, reflection, and breathing cues
- Track what helps you slow down fastest
- Create a seven-night evening experiment

Use this when

- You feel tired but wired
- Your evenings drift too late
- You need a gentler transition into bed

This workbook supports education and personal reflection. It is not medical advice. Talk with your doctor or another qualified healthcare professional about symptoms, treatment, supplements, or medication.
